School News: Y11 support

On Monday 10 September Dr Martijn van der Spoel will be visiting the school. He is a psychologist who specialises in using the mind as an effective tool for life learning. Dr van der Spoel supports thousands of students and parents each year to navigate the stresses of Y11. He will work with our Y11 students during the school day and is running a similar session for parents/carers in the evening. Any Y11 parents who wish to attend, and have not yet booked a place, can do so by emailing Mrs Thompson at ftompson@ashlyns.herts.sch.uk

Notices and Reminders

Illness in School We would like to remind parents / carers of the protocol regarding illness in school. If your child is ill and cannot attend school, it is imperative that you either call the school absence line or email admin@ashlyns.herts.sch.uk every morning that they are not present. If your child becomes ill during the day, they must go to Matron and she will call home. Pupils must not call home to ask to be collected themselves. Using a mobile phone in school without permission will result in a sanction.

Exam Certificates The Exams Office has many certificates which have not been collected over the years. Following the new GDPR legislation, Ashlyns will now only hold unclaimed certificates for two academic years following exams. Therefore any unclaimed certificates from 2016 or before will be shredded at the end of September. Please contact vsmith@ashlyns.herts.sch.uk if you did not collect your certificates and wish to do so.
