

October 2018

Dear Parent/Carer

LRC Event - The Foundling Museum : Thursday 8 November 2018

On Thursday 8 November, Linda King from The Foundling Museum, London, will be joining us to talk about the Foundling Hospital and the historical connection to Ashlyns School. Linda, a retired English teacher, is a tour guide for The Foundling Museum and a London Blue Badge guide who has worked in all of the larger museums and galleries in London.

Year 7 will be attending a talk in the Chapel for one lesson on this day to support the English curriculum. This is a wonderful opportunity for our students to learn more about the history of the Foundlings and to hear some of the fascinating stories around the children, the mothers, and the governors and founder, Captain Thomas Coram.

Yours sincerely

Ms R Lambert
LRC Manager
