

September 2018

Dear Parent/Carer

Year 10 Science Revision Materials

As your son/daughter starts Year 10 it would be very useful for them to have their own revision materials. Their first assessment will be at the end of this half term and a revision programme begins shortly. I am recommending the following materials, which we can obtain at a lower price in school.

Class	Course	Materials	Cost
10x1, 10x2, 10x3, 10y1, 10y2, 10y3	AQA Combined Science Trilogy Higher Tier	Revision guide plus 2 past paper packs	£10.60
10B, 10C	AQA Biology AQA Chemistry, AQA Physics (you do not need the combined science books as well)	3 x Revision guide Plus 3 x 2 past paper packs	£23.35
10x4, 10y4	AQA Combined Science Trilogy Foundation Tier	Revision guide plus 2 past paper packs	£10.60

If you would like to purchase the recommended materials, payment may be made by WisePay (our preferred option), in which case there is no need to return the slip below. Payment must be made by Tuesday 16 October.

Alternatively, if you wish to pay by cheque (payable to Ashlyns School), please return the slip below, with the cheque, to the Finance box outside the staffroom by Tuesday 16 October 2018 at the latest. In cases of genuine hardship please contact Mrs Wilson in the Finance Office.

The revision materials will be distributed in Science lessons; we will refer to them in revision programmes and they are valid for the two years of the Science GCSE courses. If you have any questions, or if you would like further clarification on any aspect of your child's course, please do not hesitate to contact me.

Thank you for your continued support.

Yours sincerely

Mrs C Lowe
Head of Science Faculty
