

November 2018

Dear Parent/Carer

## **Swimming - GCSE PE Assessment**

We are pleased to inform you that we have arranged for GCSE PE students to film their swimming final assessment in the Knox Johnson Swimming pool. This will incur no cost to parents and will be led by school staff with appropriate qualifications.

Due to timetable constraints, the session will take place outside of school hours, on **Tuesday 4 December from 4.00pm to 5.30pm.**

The sessions are not compulsory and are only for those students who wish to be assessed in competitive swimming as one of their three practical sports.

The students should make their own way to the centre for the sessions, arriving at 3.45pm, when access to the changing rooms will be granted by Sports Centre staff or me. They should bring appropriate swimwear, goggles, swimming hat and towel; I also recommend bringing a waterproof bag to store the wet clothes after the session.

If your son/daughter wishes to take part, please complete and return the slip on the reverse by Thursday 29 November 2018.

Yours sincerely

Mr J Preston  
Head of PE

---

**Swimming - GCSE PE assessment** – Please complete and return to the school office, for the attention of Mr Preston, by Thursday 29 November

Student Name: \_\_\_\_\_ Form: \_\_\_\_\_

I give permission for my son/daughter to take part in the aquatic activities listed overleaf.
