Dear Parent/Carer

Year 10 and 11 Language Revision Guides

It would be very useful for students in Years 10 and 11 to have their own copy of the AQA revision guide. We are able to offer parents/carers the opportunity to order these through the school, at the reduced price of £6.70.

These revision guides are invaluable to the revision process for students and include exam-style questions, strategies and practise, which will support both home and school study. They are also specific to your child's exam board so are as close to real exam paper practise as can be given, due to the exam specification currently being in only its third year.

If you would like to purchase the recommended materials, payment may be made by WisePay (our preferred option), in which case there is no need to return the slip below. Payment must be made by Monday 10 December.

Alternatively, if you wish to pay by cheque (payable to Ashlyns School), please return the slip below, with the cheque, to the Finance box outside the staffroom by Monday 10 December at the latest. In cases of genuine hardship please contact Mrs Wilson in the Finance Office. **Please note that orders will not be placed until after the close date; the guides will be issued in January.**

The revision materials will be distributed in language lessons; we will refer to them in revision programmes and they are valid for the two years of the GCSE courses. If you have any questions, or if you would like further clarification on any aspect of your child's course, please do not hesitate to contact me.

Thank you for your continued support.

Yours sincerely
