

November 2018

Dear Parent/Carer

## Morrisby Profile Psychometric Test

As part of our provision for Careers Education in Key Stage 5, we are providing an opportunity for Year 12 students to take a Psychometric Test known as Morrisby Online.

The Morrisby Profile has established itself as one of the best and most useful psychometric tests for students wishing to decide on a career or higher education path. Morrisby is a series of tests assessing a student's logic, verbal, non-verbal and numerical reasoning, spatial awareness and mechanical aptitude. It also examines personality including awareness, flexibility, commitment, leadership and initiative.

The test will be administered by David Ritchie, our chosen delivery partner. David is a Rickmansworth-based careers specialist providing information, advice and guidance services regionally to young people.

The results of the assessments are presented in a detailed personal guidance online interactive report; this shows the candidate's results and how they relate to Higher Education options and careers. Each student who takes the test will also receive an individual 20 minute feedback session during the school day to get to grips with the online dashboard and discuss the results.

The tests will take place at Ashlyns in Room 86 on Monday 3 December, starting at 2.15pm and ending at approximately 4.00pm.

The cost is £68.00 per student (funding is available for students who have been accepted onto the 16-19 Bursary). If you would like to book a place, please complete and return the form (below) to the Sixth Form office marked for the attention of David Ritchie, by **Friday 30 November**, with a cheque made payable to David Ritchie and Associates Ltd. Alternatively, you may pay by bank transfer, using the details below:

Account Name:	David Ritchie
Sort Code:	20 91 79
Account Number:	80279617
Reference:	Ashlyns and your child's name

Yours sincerely
