Dear Parent/Carer

GCSE PE Practical

We are awaiting final confirmation of our external practical moderation date which will be released by February half-term, when our moderator is confirmed. In advance of this we will need to formally assess and internally standardise the activities, and complete the paperwork in preparation for the external moderation.

We will be running the internal formal assessments during March and further details will be released in due course.

If you have any video evidence that you would like me to look over to check the quality, please hand this to me as soon as possible so I can provide feedback and give you enough time to record extra footage before the deadline of Monday 25 February.

As a reminder, we require video footage for any practical activity that cannot be shown within the school, and for those who would prefer not to perform live in front of the moderator, by 25 February. Please follow the advice in the specification which can be located by clicking on the following link;

The footage must include evidence of the four core skills in isolation and then unedited footage of a competitive situation/game which meets the specific requirements, as stated in the assessment criteria.

In addition to this, the final deadline for the written non-examined assessment (Personal Exercise Programme) will be Thursday 21 March. This will allow us enough time to assess, internally standardise, upload the results and then post off to the external moderator before the deadline.

If you have any further questions then please do contact me on the email address below.

Thank you in advance for your support.

Yours sincerely

Mr J Preston
