Dear Parent/Carer

Year 11 Last Day/Commencement of Study Leave

Year 11 commenced their study leave at 12.15pm today, following a wonderful celebration of their years at Ashlyns.

Written examinations commence in earnest from Monday. Please help your child to check and re-check their exam timetable, and ensure that they have the correct equipment, their alarm-clock primed and leave home for exams with plenty of time to spare.

Attached are several key documents which have already been explained to students:

- A copy of final exam guidance given in assembly last week
- The 'immersion timetable' showing drop-in sessions available for students to access final support or ask questions before each exam, should this be needed.

Students should only be on-site if they have an exam, are awaiting an afternoon exam (studying in the canteen), or are in a scheduled immersion session. At all other times, they should be revising at home.

I would like to remind all students that we expect appropriate behaviour and full school uniform on all days during this exam period. Inappropriate conduct could lead to the withdrawal from the Prom, and/or withdrawal of study leave.

We wish Year 11 the very best of luck for their examinations, and look forward to celebrating with them at the Year 11 Prom, and at Results Day in August.

Yours sincerely

Mr R Peters
Deputy Headteacher
