Dear Parent/Carer

A Level Economics Experimental Workshops - Tuesday 2 July

I have arranged for the Year 12 Economics students to attend a one-day revision workshop at Middlesex University, London, on Tuesday 2 July.

The main purpose of the workshop is to introduce students to economic concepts by participating in various decision-making experiments. For instance, they will complete market games where some students act as the supply side, and other students, the demand side; during trading, the participants experience how the market reaches its equilibrium and how, under particular circumstances, it doesn't.

We will be travelling by minibus and the students will need to meet at school at 8.30am, ready to travel. We estimate that they will be back in Berkhamsted by 2.00pm.

There is no cost to students to attend this workshop. If your son/daughter would like to attend, please complete and return the permission slip to the Finance Box outside the staffroom by Monday 24 June at the latest.

Yours sincerely
