Dear Parent/Carer

Moving into Year 9

As you will be aware, the Head of Year 8, Mr Hart, has worked extremely hard to help students make a smooth transition from Year 7 into Year 8. From 1 July, as the students prepare to move into Year 9, they will have a new Head of Year, Miss Shilliday, who has taken the current Year 11 through the last four years of their Ashlyns journey. The process of handover from Mr Hart to Miss Shilliday has already commenced and she will spend much of the time between now and the end of the year getting to know the students. Mrs Burt will remain the dedicated Learning Mentor for the year group, and she will be involved in the handover.

As always, should you have any questions concerning your child's learning at Ashlyns, your first point of contact is your child's tutor; we attach again the Ashlyns School Communications Guidance document issued in March this year.

I am sure you will wish to join me in thanking Mr Hart for his support, and look forward to Miss Shilliday continuing the sterling work during your child's remaining three years at Ashlyns.

Yours sincerely

Mr R Peters
Deputy Headteacher
