

ASHLYNS SCHOOL

June 2019

Dear Parent/Carer

V & A Museum Visit - Monday 24 June 2019

I am delighted to tell you that we have arranged a trip to the Victoria and Albert Museum in London.

This is a fantastic opportunity for our GCSE Design and Technology students to visit this wonderful museum, known as the world's leading museum of art and design. This trip relates directly to the GCSE specification, studying the work of others, which includes the work of Mary Quant. The cost for this visit includes entry to the temporary Mary Quant exhibition.

We will be travelling to London by coach, departing from school at 9.00am, so students should arrive at school at the usual time for registration. We will return to school at approximately 3.30pm. Students should wear their normal school uniform and will need to bring a packed lunch, snacks and a drink with them on the day. If students wish to make a purchase from the gift shop they should bring no more than £10.

The cost of this trip is £22.40 per student. Payment may be made by WisePay (our preferred option), or by cheque (made payable to Ashlyns School) by Monday 17 June. Please note that if payment is made by WisePay, a completed permission slip is not required. If paying by cheque, please complete and return the permission slip to the Finance Box outside the staffroom. Payments are non-refundable.

Please note that the school's policy is that trips and other activities outside the normal teaching programme should be self-funding. No student will be denied participation in the trip/activity because of difficulty in meeting the cost. In cases of genuine financial hardship, please contact Mrs Wilson in the Finance Office in confidence.

Please note that places are limited and we anticipate that they will be in high demand; if your son/daughter is unable to attend please let me know in order that their place can be offered to another student. Should you have any further questions, please do not hesitate to contact me.

Yours sincerely

Mrs E Moor-Radford
Teacher of Design and Technology
