Clean Air Day

Clean Air Day is happening on Thursday June 20th - part of a national campaign to highlight how we can all improve air quality for us all. As always, we will be encouraging as many students as possible to walk/cycle to school, and would ask for parents' help to assist with reducing traffic pollution near the school. Further information can be found at www.cleanairday.org.uk, with suggested pledges below:

I pledge to give my car a day off on 20 June

I pledge to use quieter routes on 20 June

I pledge to travel electric on 20 June

I pledge to switch off my engine on 20 June

I pledge to ventilate my home on 20 June

I pledge to use fragrance-free, milder cleaning products on 20 June

I pledge to only burn dry, well-seasoned wood or smokeless fuel on 20 June

I pledge to choose paints and varnishes labelled low volatile organic compounds (VOCs) on 20 June

Automated Front Gate

Following repairs, from Monday 17 June the automated front gates will return to being closed whilst the school is in session, between 08:35 and 15:20. External access between these hours will be authorised via CCTV and a telecom system to reception. Visitors will need to park before the double driveway gates and press an intercom button sited next to the pedestrian gate on the right-hand side, which communicates with Reception.

Year 11 Students

Well done to Year 11, many of whom took their final exam today, for excellent conduct throughout the exams - and we wish good luck to those taking their final Citizenship exam on Monday. Please return any revision guides and school text books to student reception, and we look forward to seeing many of you at Prom, Results Day and Sixth Form Induction Day!

Attendance

The forms with the highest attendance Week ending 7/6/19

7C2 99%

8R2 97.59%
