Dear Parent/Carer

November 2019

World Challenge Launch - Ecuador 2021

Working in partnership with World Challenge, we are excited to bring you something out of the ordinary – an expedition travelling to Ecuador in 2021. This once in a lifetime opportunity will set students apart, particularly when applying to universities and employers.

From tough treks to new cultures, the day-to-day challenges of expedition life encourages students to develop life skills and build deeper confidence, resilience and empathy.

With over thirty years of experience, taking away over 8,000 students every year, World Challenge leads the way in quality, safety, ethical community engagement and learning outcomes. Guided by an adult leadership team, students will step out of their comfort zones and take on roles and the leadership of their group, managing a budget, planning meals and choosing accommodation.

We are holding an information session about this trip, for parents, carers and students, on Wednesday 13 November at 6.45pm in the Chapel; please come along to find out more. Please either visit Ourworldchallenge.com/EABW22HX, or alternatively complete and return the slip below by Tuesday 12 November.
