

December 2019

Dear Parent/Carer

## **Year 11 Design and Technology Revision Guides**

It would be very useful for students studying Design and Technology in Year 11 to have a copy of the Design and Technology Revision Question guides.

We are able to offer parents/carers the opportunity to order these through school at the price of £5.54.

These revision guides are invaluable to the revision process for students, and include exam-style questions, strategies and practice, which will support both home and school study.

If you would like to purchase the recommended guides, payment may be made by Wisepay (our preferred option) via the shop area; if payment is made by Wisepay, it is not necessary to complete and return the reply slip.

Alternatively, if you wish to pay by cheque (payable to Ashlyns School), please complete and return the reply slip to the Finance box outside the staffroom.

Please make your payment by Thursday 12 December at the latest. The guides will be distributed in lessons.

If you have any further questions, or if you would like further clarification of any aspect of your son/daughter's course, please do not hesitate to contact me.

Thank you for your continued support.

Yours sincerely

Mr J Draper  
Technology Department
