Learning Ambassadors
The Ashlyns Learning Ambassadors visited Bridgewater School this week and carried out a Maths Quiz for Year 3. The children really enjoyed it and the Learning Ambassadors really benefited from delivering this task and were very flexible and adaptive to carrying out such a large-scale quiz to 60 children. Well done!

Sustainability Week
Next week is Sustainability Week, organised by our Sixth Form Executive, Sustainability Group and Student Leadership Team. They have worked extremely hard on a fantastic programme intended to raise awareness of sustainability issues and have some great activities planned. Students can take part in a number of activities and, at home, they could work on producing 'eco-bricks' for house points (instructions via Google Classroom) and trying to walk to school where possible.

Treasurer ASA
The Ashlyns School Association (ASA) Committee have a vacancy for a treasurer to join their exciting team of volunteers. This important role, which could be shared between two candidates, supports the amazing fundraising activities that enrich and enhance our school and our children's education by providing equipment and activities throughout the year, funded by the ASA programme of events. If anyone is interested in this role, or would like to find out a bit more about what it entails, then please drop a line detailing your interest to the ASA at asa@ashlyns.herts.sch.uk.

World Book Day
Next week the LRC will be celebrating World Book Day with a variety of different events happening during the week including award-winning author visits, a book themed lunch, a Book Charades game to win House Points plus daily competitions where students can win book prizes. We will also be supporting the Just Be A Child Charity which creates libraries in rural Kenyan locations. If you have any unwanted, good quality children's fiction/non-fiction books at home that you would like to donate, could you please bring them to the LRC. Many thanks for your continued support.
