Timetable

Your timetable will look a little like this. We have coloured this one in so that you can see how many times you have each lesson within our two-week timetable. You may want to colour your one in to help you easily see what lessons you have each day, and what equipment you need to take to school for those lessons.

The '1' stands for Week 1, and the 2 on the table on the next page is Week 2

These are the 5 lessons that you will have each day; each one lasts one hour.

Each morning you will spend 20 minutes Registration/Tutor Time. This is in your form room with your Form Tutor and all the other students in your form.

Breaktime is here – between lessons 2 and 3.

Lunchtime takes place between lessons 4 and 5

CS is Computer Science. You may know this as ICT.

In your timetable each box will also have a classroom number to tell you which room your lesson will take place in.

Keep your timetable safe; you may wish to take extra copies to keep at home, in your blazer pocket, and for your parent/carer to use.
