Dear Parent/Carer

Unifrog Access

Firstly, I hope you and the family are well.

I am writing to let you know that on Monday your son/daughter will receive an email from [Unifrog](#), who are an online company helping students with their future plans. This email will allow them to login into the Unifrog platform, via the tile on their Launch Pad.

If your son/daughter is returning to Ashlyns Sixth Form they will be using Unifrog as part of the careers process; but we have initially given them access in order to be able to access a number of MOOCs (Massive Open Online Courses).

On Monday, as part of the tutor programme, I will send a message to all Year 11 students via the year Google classroom; this will give students clear instructions on how to login, as well as what is available on the Unifrog forum in terms of MOOCs.

I hope your son/daughter will find this helpful in the weeks ahead, leading into their next academic journey.

Yours sincerely
