

ASHLYNS SCHOOL

November 2019

Dear Parent/Carer

LRC Author Event

I am delighted to announce that Joanna Grochowicz, author of *Into the White: Scott's Antarctic Odyssey* and *Amundsen's Way: The Race to the South Pole*, will be visiting Ashlyns School on Wednesday 13 November, to speak to our Year 8 students.

Joanna's presentation will cover the achievements and challenges faced by the pioneering individuals of the heroic age of Antarctic exploration. This is a wonderful opportunity for our students who will be attending the talk for one lesson during the day to support the English curriculum.

Signed copies of Joanna's books will be available to purchase on the day at a discounted cost of £6.50 per title. Students are welcome to bring cash in on the day to make a purchase or bring books in from home for signing.

Should you have any further questions, please do not hesitate to contact me.

Yours sincerely

Ms R Lambert
LRC Manager
