Dear Parent/Carer

Year 8 Parents' Support and Information Evening – Thursday 26 September

We are delighted to invite you to a Parents' Support and Information Evening where you will have the opportunity to learn more about how to support your child taking ownership of their learning. Year 8 is a critical time for our students, as they become teenagers, in terms of their social and academic development; we are keen to best prepare them for the challenges that they will encounter to help them navigate their way through the coming years. The event will include three pertinent sessions:

- Getting into the right routines – Miss Hannan
- Growth Mindset – Mr Khalil
- My Teen Brain – Mrs Macgovern

We would encourage all parents and carers to attend, **along with your child**, in order to understand how best to support them in the coming months and years. Students are expected to attend in full school uniform.

The event starts promptly at **6.45pm** and will last approximately one hour.

There will be car parking available at the rear of the school; there is access through the school from both car parks, so you do not need to walk all the way around the building. It is strictly prohibited to park on the driveway, footpaths, verges or grassed areas as we must ensure that we keep a good traffic flow, always have access for emergency vehicles and do not damage our grassed areas. We would ask you to please help us by abiding by these requests.

We look forward to seeing you on Thursday 26 September at 6.45pm in the Chapel.

Yours sincerely

Miss Hannan
Head of Year 8
