

Ashlyns School Uniform and Appearance

Students are ambassadors of the school and a high standard of dress and appearance is expected at all times. The Governors of Ashlyns School, together with the Headteacher, are responsible for setting school uniform regulations. If parents or students are uncertain about any aspect of uniform or appearance they are advised to contact the school.

Students are required to wear full school uniform to and from school, and during normal school hours. They are also required to wear uniform when representing the school or attending formal functions arranged by the school.
