

Next Week - Week 1

Friday 28 Jan: School Closed

Attendance reporting procedures - to speed up the process of recording morning daily absence, late arrivals and appointments, and ensure we have accurate records of symptoms, we are now asking parents to report children's absence by 0830 each morning using our [online google form here](#) which can also be found on the school website. This form can also be used to report future absence e.g. dentist appointments.

Covid Flow Chart - please see the updated [flowchart](#) in line with the new guidance (outlined below) which summarises simply how attendance works.

Year 11 Raising Achievement

Year 11 students have made an excellent start in their attendance to subject-specific revision sessions. We encourage all Year 11 students to be working on home learning or revision for two hours per day; attending a lunchtime and after school session means ticking off some of that time before they go home. The revision sessions timetable is [here](#); please do encourage your child to attend. If they would prefer silent study, Session 6 runs Monday-Thursday in the LRC from 3.20 to 4.20, and Session 7 also runs on Wednesdays from 4.20 to 5.20.

Raising Achievement presentations for each subject are available on the Raising Achievement page of our website [here](#), with the password that was sent home on Wednesday.

County Cross Country

The deadline for the annual Herts Cross Country Championship on Saturday 5 February at Westminster Lodge, St Albans, is today. If your son/daughter has not seen me to be entered and feels they are of a good enough standard to compete please email Mr Preston; jpreston@ashlyns.herts.sch.uk by 9pm tonight, with their name, year, form and DOB. Late entries are not accepted by the organisers

County Swimming

The County Competition will be on the 25th March. If you feel you are at the standard necessary to represent Dacorum in the swimming gala please come and collect an entry form from Mr Preston in the PE office. Deadline for the completed forms to be submitted is February 10th.

Careers

PwC are currently running a range of themed careers sessions for parents and carers to help students feel prepared when they start their career search. Tooled Up at Ashlyns - resources from Dr Kathy Weston

It's Holocaust Memorial Day today, January 27th. We've put together a [list of fiction and non-fiction books](#) for children and teens that can help them to learn about this important subject.

Internet Safety Day is also just around the corner and we'll be marking the occasion with two live webinars:

- February 8th, we'll be hosting a webinar with renowned clinical psychologist and researcher, Dr Elly Hanson, on the impact of explicit online images and gambling on our teens.
- February 9th, you can join us for a discussion about digital citizenship. [Book your free tickets now](#)

You might remember that last week, we asked if you could spot the new feature on the Tooled Up website. It is our fantastic new [Resource Index](#). It updates as soon as we add a new resource and lists everything on the site, by category. If you are logged in, you'll find it by clicking on the 'Resources' button on the homepage.
