

February 2022

Dear Parent/Carer

ELEVATE, Connect Revision Programme

I am writing to invite your son/daughter to attend three focused revision workshops for English Language, Science and Maths.

The sessions will be run by Elevate Education and will support students in preparing for their GCSE examinations in the summer.

The two hour workshops will include:

- All the must-know content to ensure that students don't have any gaps in their knowledge or notes;
- Active learning of typical exam questions: including what examiners are looking for and common mistakes.

In addition to the above, students will have access to:

- the subject specific weekly exam preparation blogs
- live Q&A sessions run by Elevate for students before exams
- ['Adapt'](#) the AI enabled digital revision planner.

We are requesting a contribution of £7.00 per student per workshop towards the cost of these sessions. Payment may be made by ParentPay (our preferred option) or by cheque, made payable to Ashlyns School. Please complete and return the slip below by Wednesday 4 March; the slip is not required if payment is made by ParentPay.

No student will be denied participation in the activity because of difficulty in meeting the cost. In cases of genuine financial hardship, please contact Mrs Wilson in the Finance Office in confidence

We strongly encourage students to take part in the workshops and all of the follow up materials and events. The workshops are scheduled to take place from Monday 14 to Friday 18 March, 3.30pm to 5.30pm. Please see the table below for the specific days during this week when your child is invited to attend (this is dependent upon which Maths and Science paper he/she will be sitting).

Please complete an online form by Wednesday 4 March (via the link below) if you would like to book a place for your child on any of the workshops. Please note that Maths and Science are separated into Higher and Foundation tiers so it is important that you choose the right one.

[Online Form](#)

We will contact you if the sessions are over-subscribed and we are unable to offer places to all students.

Date: all sessions run from 3.30 to 5.30pm	Subject/Paper
Monday 14 March	English Language
Tuesday 15 March	Maths Foundation
Wednesday 16 March	Maths Higher
Thursday 17 March	Science Foundation
Friday 18 March	Science Higher

Yours sincerely

Miss A Shilliday
Head of Year 11

ELEVATE, Connect Revision Program

Please complete and return this slip by Wednesday 4 March.
