

ASHLYNS SCHOOL

June 2022

Dear Parent/Carer

Parent/Carer Survey

As part of our continuous drive for school improvement and our school improvement planning process, we gather the views of our stakeholders through an annual survey; this informs our school improvement planning going forward. Last year, for example, amongst many other areas, your feedback was central to our work on catch-up following the impact of the pandemic. The link to the parent/carers survey is below, and we would very much appreciate you sparing the time to fill it in.

If your child is in Year 11 or Year 13 some of the questions may need to be considered retrospectively, but we are very grateful for your views as your child completes such an important stage of their education and after the time they have spent at Ashlyns.

Please do note that the survey is for strategic planning purposes; if you have individual concerns or queries relating to specific incidents you will need to raise them in the usual way via the central admin email address, for the attention of the relevant member of staff.

If you are the parent of more than one child at the school, it is only necessary to complete it once, unless you want to fill it in separately for your experience with each child.

You can find the survey here: [Parent Survey 2022](#)

Thank you for taking the time to complete the survey.

Yours sincerely

Mrs R Kingston
Deputy Headteacher
