

September 2022

Dear Parent/Carer

Effective Learning and Revision Workshops

We are delighted to be able to inform you that, as noted in the last e-Bulletin of the Summer term, Dr Martijn van der Spoel will be holding an event for parents on 12 September at 7.00pm.

Dr van der Spoel has worked very successfully with the school for several years as part of our Year 11 Raising Achievement Programme; he will be in school on that day working with Year 11, so during this session he will explain his work with your children so that you are further able to help and support them with their studies at home. In previous years parents have found Dr van der Spoel's talks invaluable and our feedback on this session is always tremendously positive; we hope you can attend.

The event will begin at 7.00pm in the main Ashlyns School Hall and will last approximately one hour.

Following the session, you will receive a link to an online form which will enable you to ask any more specific questions, to either Dr van der Spoel or the school, that you may have relating to building and supporting study skills.

We hope you enjoy the session and find it beneficial.

Yours sincerely

Mr L Roberts
Assistant Headteacher

Miss E Hannan
Head of Year 11
