

Dear Parent/Carer

September 2022

Year 10 Science Revision Guides

I am writing regarding your child's Science course. The books detailed below will help with preparation for the Science assessments throughout Years 10 and 11 and I would encourage you to purchase them. Students will be encouraged to refer to these books to support their revision programme so it is important that they have them to use as soon as possible; their first assessment will be the week before October half term.

Students should purchase the relevant book published by CGP. They are widely available in all booksellers as well as directly from CGP.

Sets 10x1, 10x2, 10x3, 10y1, 10y2:

CGP Grade 9-1 GCSE Combined Science: AQA Revision Guide with Online Edition - Higher
