

May 2023

Dear Parent/Carer

Year 11 Last Day/Commencement of Study Leave

Year 11 commenced their study leave at 12.30pm today, following a wonderful celebration of their years at Ashlyns.

Written examinations commence in earnest from Monday. Please help your child to check and re-check their exam timetable, ensure they have the correct equipment, their alarm-clock primed and that they leave home for exams with plenty of time to spare.

You will find a copy of the assembly given to Year 11 with key guidance on the examination period [here](#).

Students should only be on-site if they have an exam, or are awaiting an afternoon exam (studying in allocated rooms). At all other times, they should be revising at home. If students are unable to get home after a morning exam due to transport, please let Miss Hannan know and we will make arrangements for them.

I would like to remind all students that we expect appropriate behaviour and full school uniform on all days during this exam period. Inappropriate conduct could lead to the withdrawal from the Prom, and/or withdrawal of study leave.

We wish Year 11 the very best of luck for their examinations, and look forward to celebrating with them at the Year 11 Prom on 6 July, and on Results Day on 24 August.

Yours sincerely

Mrs R Kingston
Deputy Headteacher
