The Objective

To promote the educational achievement and welfare of children looked after (CLA) and Children Previously Looked After (PLA) at Ashlyns School.

- The Name of the Designated Teacher for CLA and PLA at Ashlyns School is: Hash Khalil
- The Name of the Designated School Governor for CLA and PLA is: Rebecca St John
- The Headteacher, Designated Teacher and Governing Body will ensure that all staff are briefed on the Statutory Guidance and practice outlined in this policy.

At Ashlyns School, we will ensure that children looked after (CLA) and children previously looked after (PLA) have access to excellent educational provision and are prioritised for additional support through school-based interventions to achieve as well as possible, in accordance with the '*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children*'. 28th February 2018.

We recognise that our school plays a vital role in providing a stable base for CLA and in promoting their academic, social and emotional development. We promote whole school staff training in their specific needs, so that all adults at this school are sensitive to the barriers to learning that CLA experience and feel able to support the children discretely and confidentially, as needs arise. We understand the need to work in a 'relationship-based' way so that children looked after and previously looked after feel valued and a part of our school community.

At Ashlyns, we aim to champion the needs of CLA to ensure they make rapid educational and social progress during their period in care on the roll of this school.

1. Ashlyns School Aims for our Children Looked After

- to provide a safe and secure environment where educational progress and stability is always central to the planning and all adults in Ashlyns School understand the specific needs of CLA and PLA
- to narrow the gap between the attainment of CLA and PLA and their peers, ensuring **accelerated** and **rapid** progress
- ensure that they benefit from school-based interventions, even if they do not meet the criteria for that intervention (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*) and to use the allocated Pupil Premium Plus (PP+) to ensure effective impact
- for all CLA to have at least termly Personal Education Planning (ePEP) meetings each academic year and for the joint planning and quality first teaching to have measurable impact on each child's learning on a daily basis, (*DfE Designated teacher for looked-after and previously*

looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018)

- for all adults at Ashlyns School to provide sensitive, student-led support, adopting a relationship based approach and with at least one key adult with whom the child or young person has a trusted relationship and who will act as an advocate for them and take a special interest in their progress in all school activities.
- that school systems facilitate discrete support, which include a strong relationship between school staff, carers and children looked after on our roll.
- CLA will be advantaged within school policies and procedures, with their needs explicitly considered and provided for (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018.*)
- The Ashlyns Behaviour Policy maintains clear boundaries and expectations about behaviour but we understand that not all behaviour is a matter of choice. We will not enforce sanctions that shame and ostracise children looked after from their peers, school, community or family. In this school we seek to create an inclusive and positive school ethos for every pupil.
- CLA and PLA and their families will feel part of the Ashlyns school community; they will be actively welcomed, involved and engaged into this school community (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018.*)

2. Educational Planning for Children Looked After

(a) Personal Education Plans (ePEP) and CLA Self Evaluation Forms (CLASEF):

Ashlyns school will ensure that every CLA on roll has a Personal Education Planning (ePEP) meeting that is reviewed termly, within the statutory care planning framework, and in collaboration with the social worker, carer and other relevant professionals. In any one school year there will be at least three PEP meetings for each CLA, The school will complete all sections of the CLASEF to share our plan for improvement and development in school for disadvantaged children and also to inform the Virtual School of the school's policy and practice, to account for the efficient and effective spend of the PP+ funding and to inform the school Governing Body as the annual report.

(b) Involving the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker, and their carer(s) are working together to promote their education.

It is important that the young person is supported to complete the Pupil Voice section of the Personal Education Plan by the Designated Teacher to inform the ePEP and Care Plan review meetings

It is important to establish the young person's view of their changed circumstances and what they want others to know. It is also important to ensure that a Social Worker/teacher/carer prepares the young person for situations when they may be asked about home, e.g. by other pupils in the playground.

3. Roles and Responsibilities

The Headteacher and Governing Body of Ashlyns School are committed to promoting improved educational life chances for CLA and PLA. They will ensure that the Designated Teacher for Children Looked After has qualified teacher status, appropriate seniority in the leadership team and time and experience to fulfil this statutory role and have at least two days per year training to remain fully informed. The link Governor will monitor the role of the Designated Teacher to ensure that all CLA and PLA make accelerated and rapid progress and that the whole school staff receive appropriate training.

(a) The Role of the Designated Teacher for CLA and PLA

The Designated Teacher for Children Looked After and Children Previously Looked After is Hash Khalil. He is a qualified teacher, and will promote improved educational life chances for CLA and PLA by:

- ensuring that the CLA or PLA has access to quality first teaching
- tracking the progress of CLA and PLA across the curriculum using data, teacher reports and book looks
- ensuring that the PP+ is used effectively and efficiently
- performing a coordinating role with school staff and outside agencies
- ensuring effective communication with the school's assigned Education Adviser from the Virtual School
- developing expertise in the field of CLA, including attachment theory, and trauma informed practice
- providing and attending training and offering advice to the whole school staff
- delivering the Virtual School training: 'An introduction to Attachment Aware and Trauma-informed Practice' to the whole school
- promoting a school culture which is supportive, relationship-based and has high expectations for CLA and PLA
- regularly reporting to the Head and Governing Body through the CTC committee on the attainment of CLA and PLA and school resource and staff training needs for working with this group
- prioritising CLA for school-based additional support, even when the young person does not meet the criteria (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- ensuring that CLA and PLA are not overlooked for positions of student responsibility within the school because of their care status
- completing the annual Strength and Difficulties Questionnaire (SDQ) of each CLA as requested, to inform their annual CLA health review.

(b) The Role of Staff

All staff at Ashlyns School will promote improved educational life chances for CLA and PLA by:

- reading this 'school policy' for CLA
- attending relevant training, including the Virtual School toolkit training on 'Attachment Aware and Trauma Informed practice' (to be found on the Virtual School website: www.hertfordshire.gov.uk/virtualschool)
- providing accurate information and data when asked by the Designated Teacher
- referring to the Designated Teacher for advice

- playing their part in creating an attachment and trauma-informed 'CLA-friendly' culture and securing rapid progress for CLA by ensuring that they benefit from any additional school-based support available

(c) Attendance

School attendance procedures reflect the specific needs of CLA and PLA to ensure good school attendance. Where there is a concern about attendance or punctuality the school will contact the carer, social worker and other professionals including the Virtual School, as an early intervention, as outlined in our attendance policy.

(d) Admissions/ Transitions

School procedures to support CLA during admission and transition include:

- prioritising CLA and PLA at the point of admission
- the swift transfer of information between schools that may include school visits and at times of transition, teaching at the previous school
- early identification of staff mentor
- additional support and planning for CLA and PLA at times of transition
- structured activities to 'say goodbye', in recognition of the impact of broken attachments and loss

(e) Additional Educational Needs

All staff will work creatively to secure accelerated and rapid progress for CLA and PLA with additional educational needs by:

- having high expectations
- ensuring that they are prioritised for additional school-based support, even if they do not meet the criteria (*in line with the DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- ensuring that planning is coordinated, appropriate interventions identified and teaching to the plan is systematic; ensuring that any work undertaken by non-teaching staff has teacher over-sight (*in line with the Lamb Report, Dec '09*)
- ensuring that progress is regularly monitored and reviewed, against the targets set as agreed in the termly Virtual School visit, ePEP and CLASEF

(f) Special Educational Needs

All staff will work creatively to secure accelerated and rapid progress for CLA who have special educational needs by:

- having high expectation of progress each academic year (*in line with the expectation set out in the ePEP and CLA-SEF*)
- ensuring that they are accessing school-based targeted support which is 'additional to and different from' the universal and additional needs provision (*in line with the SEN Code of Practice*)

- ensuring that all plans are coordinated, appropriate interventions identified, and teaching to the plan is systematic
- ensuring that progress is regularly monitored and reviewed, in line with the SEN Code of Practice
- ensuring that any work undertaken by non-teaching staff has a teacher overview
- ensuring that the INCO reviews the EHCP (if applicable) in a timely way with all relevant professionals invited and their views obtained.

(g) Safeguarding

Ashlyns School staff will be vigilant for any safeguarding issues which can impact particularly on CLA

by: familiarising themselves with the 'School Policy Guidance for Children in Care' and following the school's child protection policy and the 'DfE: Keeping Children Safe in Education' (All staff) June 2019, if there are any safeguarding concerns.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

(h) Alternative Provision

We will make every effort to ensure that any arrangements for provision alternative to daily attendance at school will include:

- a plan to retain the CLA on the roll of the school or clarify in writing which educational establishment will be responsible for essential reporting and accountable for the PP+ and this is an agreed part of the overall ePEP for the student
- full time provision (25 hours) either in school and or with the alternative provider
- reasonable adjustments so that educational needs of the CLA or PLA are met
- the opportunity to make rapid progress in the course of study
- regular monitoring of progress
- ePEPs will involve the school and the alternative provider

(i) Exclusion

- We reviewed the school behaviour policy in line with the statutory guidance published in February 2018 (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- We will make every effort to avoid excluding a CLA, in recognition of the increased risk this poses in terms of them quickly disengaging from the school, due to their early experience of broken attachments and loss. Before acting, we will discuss the rationale for exclusion with the assigned Education Adviser from the Virtual School.
- If there is no option other than exclusion, then we will make every attempt to reduce the number of days of the exclusion.
- We will use the following method to avoid excluding a child looked after or previously looked after where possible by making use of the silent learning room to remove student from general school population as an alternative to exclusion, where this does not jeopardise school or student safety
- School procedures are in place to reduce the risk of exclusion of CLA and PLA. CLA and PLA with special educational needs should have exclusion as a behaviour management action as a last possible resort (*Regulation 4(1)(c) of the Equalities Act 2010 which means that a head teacher could only lawfully exclude a child for a reason relating to their disability, even a disability that results in the child having a tendency to physical abuse, if reasonable adjustments have been made*).

(j) Multi-Agency Working

School staff will make every effort to develop positive professional relationships with colleagues from other agencies and facilitate their work. This will enable colleagues to successfully perform their roles and positively impact on the education and wider needs of CLA and PLA.

4. The Role of the Linked Governor

The Linked Governor will report to the Governing Body on an annual basis using the report from the Designated Teacher as source information:

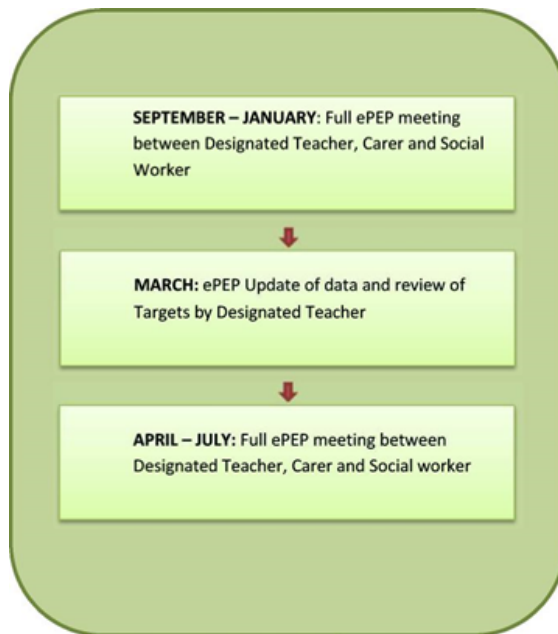

- The number of looked after pupils in the school
- A comparison of progress as a discrete group, compared with those of other pupils in school and nationally
- A comparison of attainment measures as a discrete group, compared with those of other pupils in school and nationally
- The attendance of pupils as a discrete group, compared to other pupils;
- The number of fixed term/permanent exclusions
- Pupil destinations after leaving the school

The Linked Governor should be satisfied that the school's policies and procedures ensure CLA and PLA have equal access to:

- Full time educational provision – at least 25 hours;
- Public examinations;
- Additional interventions to support educational progress e.g. One to One tuition
- Employment Excellence careers guidance;
- Additional education support;
- Extracurricular activities;
- Work experience;
- Pupil Premium Plus funding to raise attainment.

The Linked Governor is encouraged to support the development of the school by endorsing the CLASEF (self-evaluation process) which will inform the schools' best practice and ensure that the Governing Body has an understanding of the efficient and effective use of Pupil Premium including Pupil Premium Plus.
