The Role of a Link Governor

This will vary according to the nature of the appointment, but in general, it involves:

- Making pre-arranged visits to the school, with a clear focus
- Keeping the governing board informed about the area for which they're responsible, and acting as a link between governors and staff
- Liaising with/working with the member of staff who is responsible for the particular area
- Developing knowledge in the specialist area and taking part in relevant training
- Ensuring the school has relevant policies in place
- Monitoring the implementation of the school's strategy in the specialist area
