

'Into the Sixth' Evening

Thursday 19 October 2023

We are holding our Year 11 'Into The Sixth' evening on Thursday 19 October. In advance of the main presentations, families may wish to visit our dedicated Sixth Form Centre from 6.00pm, where refreshments will be available in the Sixth Form Canteen. All proceeds raised from sales will be donated to the Sixth Form charity, Wamba.

At 6.30pm presentations will start in the Chapel and in the Main Hall. The Chapel presentation will focus on our KS5 curriculum and the Main Hall presentation on Sixth Form Life. It is important that you attend both presentations. To avoid overcrowding, families who already attend the school will have received details of which presentation to attend first (X band forms to the Main Hall first, Y band forms to the Chapel). External prospective families may make their way to either presentation first. When both of the talks have finished, there will be a carousel of individual subject-specific presentations providing further information and guidance (**please see page 2 below**). The evening will conclude around 9.00pm.

In advance of the event, current families will have an information pack emailed to them; a hard copy will be provided on the evening. External prospective visitors should complete this [form](#) to allow us to email an information pack to you in advance.

We hope that our 'Into The Sixth' Evening will give you and your child the opportunity to find out more about the subjects which are of interest, to speak with our current Year 12 and 13 students regarding life in our successful, expanding Sixth Form, and to have a look around our Sixth Form facilities.

Please see below for the Programme of Presentations during the evening.

Programme of Presentations
Main talks: Chapel and Hall, 6.30pm
