Dear Parent/Carer

## **Year 10 Careers Programme - CV and Mock Interview**

I wanted to extend my thanks for the support that you gave your child to prepare for the mock interview event that took place this week.

The day was a resounding success with all our volunteers expressing how well the students conducted themselves and what a pleasure it was to interview them. Comments from our interviewers included:

*A great day to be involved in! It was brilliant to see such a diverse and rich group of students; their enthusiasm was infectious!*

*Each student I met was impeccably behaved and very professional. The standard of some of the CVs were akin to what I would see in an entry level role in the corporate world - very articulate and impressive. This year 10 group were outstanding!*

*All of the students I met should be very proud of themselves. I would have hired them all!*

*Hearing the students describe themselves, and all their achievements was so inspiring. What a capable and competent group they are.*

Your child should be very proud of what they have achieved and I hope that this opportunity has given them a strong foundation on which to develop their interview technique going forward and build their confidence and career plans for the future.

Yours sincerely

Mr L Roberts
