

February 2024

Dear Parent/Carer

## Year 12 Careers Insight, Advice and Guidance - 5 March 2024

On Tuesday 5 March our Year 12 students will take part in Careers Day, which is for both those wishing to go to university, and those looking at other opportunities, such as work, apprenticeships and gap years. The day will offer a comprehensive programme, which will include a wide variety of talks tailored to the interests of all students. In advance of the day, students will have the opportunity to discuss the talks on offer with their Form Tutor and will then make decisions on which talks they wish to attend.

The day will begin with presentations for all Year 12 students on post-18 options, vocational routes and the UCAS journey; students will then attend their pre-selected workshops.

We are currently finalising the programme for the day, but last year we had talks by:

1. A Civil Engineer who has worked on the HS2 project	10. A Lawyer from Dentons law firm
2. A Careers Advisor on degree level apprenticeships	11. A Theatre Producer
3. A Senior Civil Servant who advises the Prime Minister/Cabinet Ministers	12. An Oxbridge graduate on the Oxbridge experience and application process
4. The Chief Financial Officer for Virgin Red	13. A Photographic Journalist
5. A Construction Estimator	14. Prison Officers from the Mount Prison
6. A member of the Criminal Investigation Department (CID)	15. A vet
7. An architect	16. A screen and film school graduate
8. The Director of Analytics at Ipsos Mori	17. The President of EMEA Whalar
9. A Publicity and Marketing Consultant in the film and television industry	18. A Political Journalist
	19. A teacher
	20. A Careers Advisor on finding the right university or college course, LinkedIn and CV writing

This event will be a superb opportunity for Year 12 students to begin thinking about, and planning, life after Sixth Form. It has run with great success over the past few years, and the students felt it was invaluable in helping them to form decisions about their futures.

Yours sincerely

Ms K Gaches  
Head of Sixth Form
