

February 2024

Dear Parent/Carer

Home Study for Year 13 – Tuesday 5 March

Our Extended Learning Day takes place on Tuesday 5 March. Students across the school will take part in a range of activities to extend their learning in various subjects. As the Year 13 exams are approaching, we have designated Tuesday 5th March as a Home Study Day for Year 13. We feel that our Year 13 students are sufficiently mature to be granted the privilege of a home study day to enable them to prepare for their A Level/BTEC examinations. If students would rather stay in school to use the LRC or the Sixth Form study facilities, they are very welcome to do so.

Please indicate your agreement with your child's study arrangements for our Extended Learning Day using this Google Form by Friday 23 February: [Home Study for Year 13 – Tuesday 5 March](#)

Yours sincerely

Ms K Gaches
Head of Sixth Form
