Ashlyns Home-School Agreement

The Parent/Carer

I acknowledge:

- I have read the school prospectus (available via school website or hard copy on request)
- I am aware of the school's policies (available via school website or hard copy on request)
- I understand that the school will not authorise holiday leave as outlined in the School's Attendance Policy

I will:

- ensure my child attends school regularly, on time, properly dressed, properly equipped (including provision of a chromebook) and that they understand the importance of punctuality to lessons
- make the school aware of any concerns or problems that might affect my child's behaviour/learning
- support my child with their home-learning opportunities and ensure my child completes their home-learning on time
- attend parent-teacher consultation evenings and other information events about my child's progress
- support my child in responding positively to the general expectations and regulations of the school
- support the school's approach to online safety and not upload or add any text, image, sound or videos that could upset or offend any member of the school community, or bring the school name into disrepute
- ensure that my/our online activity would not cause the school, staff, pupils or others distress or bring the school community into disrepute.
- support the school's policy and help prevent my child/children from signing up to services such as Facebook, Instagram, Snapchat and YouTube whilst they are underage (13+ years in most cases)
- close online accounts if I/we/teachers find that these accounts are active for my underage child/children
- read and respond, (if appropriate), to all communications sent out from the school, including the e-Bulletin. I will also regularly log on to the school's online system to access information about my child's attendance, behaviour, assessment data and other information relevant to my child's year group.
- Update the school promptly with any changes to contact details for any parent/carers and/or any changes which may affect my child, eg family/home circumstances
- interact with school staff in a polite and professional manner, whether this is via a meeting, phone call or other method of communication. Should this not occur, staff have the right to terminate the phone call or meeting and the school will review ongoing contact
- support the school in upholding the expectations within their policies at all times. This includes supporting decisions made by the school to maintain a positive learning environment and relationship between school, teacher and student
