

September 2024

Dear Parent/Carer,

**Ashlyns School Careers Expo : Tuesday 22 October 2024**

We are delighted to invite your child to the Ashlyns Careers Expo, which will take place on Tuesday 22 October 2024 in our Main Hall. This exciting event is part of our ongoing commitment to provide an outstanding and ambitious careers programme for our students.

Students in Year 8 - 10 will attend the Expo during the school day accompanied by teaching staff. Year 12 - 13 students are invited to attend the Expo during lunchtime. If you have a child in Year 11 you will receive a separate invitation to attend with your child after school between 4 - 6pm.

The Careers Expo will feature exhibitors from a wide range of sectors, providing a unique opportunity for students to explore various career paths, engage with industry professionals, and gather information on the qualifications and skills required for success in the workplace.

To make the most of this event, students have been provided with a digital exhibitor programme on Google classroom which includes details of all participating organisations. In the lead-up to the Careers Expo, students will participate in several planning sessions during form time. These sessions will help them to prepare questions and make informed decisions about the exhibitors they want to visit.

We encourage you to discuss the [exhibitor programme](#) with your child to support their career planning process. We believe that meeting industry professionals and exploring different career options is a critical part of creating a vision for the future for your child and we look forward to your support in making this event a success.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr L Roberts

Assistant Headteacher
