Dear Parent/Carer

Morrisby Profile Psychometric Test

As part of our provision for Careers Education in Key Stage 5, we are providing an opportunity for Year 12 students and those in Year 13 who did not take the test last year to take a Psychometric Test known as Morrisby Online. This is an integrated set of tests and questionnaires that assess aptitude and innate ability; suggestions are then made for Higher Education courses and career options through an online dashboard. Many schools (including ours) have been using Morrisby for many years and have found that it is a very positive addition to the careers guidance available in school.

The test will be administered by David Ritchie and Associates, our chosen delivery partner.

The results of the assessments are presented in a detailed personal guidance online interactive report; this shows the candidate's results and how they relate to Higher Education options and careers. Each student who takes the test will also receive an individual 20 minute feedback session to get to grips with the online dashboard and discuss the results.

The tests will take place at Ashlyns in the Main Hall on **Monday 11 November**, starting at 8.50am and ending at approximately 10.50am.

The cost is £75.00 per student (funding is available for students who have been accepted onto the 16-19 Bursary). If you would like to book a place, please complete and fill in the [permission form](#) by **Wednesday 6 November**, and pay by a cheque made payable to David Ritchie and Associates Ltd. Please leave cheques with the 6th Form Office. Alternatively, you may pay by bank transfer, using the details below:
