

February 2026

Dear Parent/Carer

Year 9 Parent-Teacher Consultation Evening – Thursday 26 February Online Appointment Booking

On Thursday 26 February we will be holding the **online** Parent-Teacher Consultation Evening for Year 9. **All appointments will be held remotely online** through our existing booking system, which provides timed video slots. [Full details on how this works can be found here](#), and we would ask parents to familiarise themselves with the process in advance.

The online booking system for appointments, each lasting five minutes, will be open at 7.00pm on Tuesday 10 February; the system will close on Tuesday 24 February at midnight. Should you need to make any changes after this date please contact Miss Gilbert at sgilbert@ashlyns.herts.sch.uk. As your child studies many subjects it will not be possible to see every teacher on the night. We would therefore encourage parents to prioritise appointment requests, having reflected on the data that will be available at the time on Arbor and focusing on subjects where you have questions about progress. If you are unable to make an appointment with a particular teacher when booking, and have specific questions or concerns, you can contact that member of staff by emailing admin@ashlyns.herts.sch.uk and marking it for their attention. Please visit ashlyns.parenteveningsystem.co.uk (or follow the link from our homepage) in order to book your appointments. Please log in using your child's 'preferred' name (that matches our records) and their date of birth. If you do not have access to the internet, please contact Miss Gilbert who will be happy to add appointments on your behalf.

We actively encourage student attendance at this year's online Parent-Teacher Consultation Evenings, alongside their parents, so that they are part of the dialogue concerning their progression towards success. Although the evening is being held virtually, it is still a formal occasion and as such we would ask that parents check that they will not be disturbed during their appointments, and that their camera is positioned in an appropriate setting. Please note that the video system is rigid in its time slots, to ensure that the evening runs to time - so do please make sure you log-on well in advance of your first appointment.

We are excited for the Extended Learning Day on Tuesday 10 March, when students will be out on work experience, gaining valuable insights into potential future careers.

It has been a joy to see the students grow, develop and mature so much since Year 7 and we are very excited to be with them on the next stage of their academic life as they begin their GCSE journey.

Yours sincerely
