

February 2026

Dear Parent/Carer

Year 11 Easter Holiday and Supercram Revision Sessions

I am writing with details of the revision sessions which will take place during the Easter holiday and on Saturdays before and during the GCSE exams. These sessions have proved very beneficial for students in the past and we hope your child will consider taking advantage of these opportunities. The sessions will be run by school staff and will support students in preparing for their GCSE examinations. Individual subjects have made decisions on where best to offer these sessions related to the timing of their exams. Due to the number of sessions running, there are inevitably clashes; students should choose their subjects carefully based on their own individual needs, priorities, and confidence.

Due to the popularity of these sessions, we are only asking for a voluntary contribution of £2.50 per student, per revision session, towards the cost of these sessions. Please choose subjects carefully in discussion with your child, and prioritise sessions where they are feeling least confident. Places may be booked via our [online form](#). Booking is essential if you wish your child to attend.

Payment may be made by ParentPay. No student will be denied participation in the activity due to difficulty in meeting the cost. In cases of genuine financial hardship, please contact Ms Stringer in the Finance Office in confidence.

Yours sincerely

Mrs A Hallway
Head of Year 11

Mrs R Kingston
Deputy Headteacher

Easter Holiday		
Date	Subject/s	Time
