

March 2026

Dear Parent/Carer

Careers in Aviation

On Thursday 26 March 2026 at 10am we are hosting a Careers in Aviation event for Year 10 students in the LRC.

The event will be led by one of our sixth form alumni who since leaving Ashlyns has built a successful career in aviation and is now First Officer for British Airways flying the Airbus A320.

This unique opportunity will provide an insight into the qualification process and provide advice in pursuing a career as a commercial pilot. Students will gain an understanding of a working day along with the technical skills and personality traits needed to succeed in the industry.

If your child is interested in attending this event, please complete the form [here](#) to register your interest by Monday 16 March 2026. Should the event be oversubscribed we will allocate places via a ballot. An email will be sent nearer the time confirming the allocation of a place and the event arrangements.

Yours sincerely

Ms R Lambert
Careers Leader
