

September 2026

Dear Parent/Carer

Ashlyns School Careers EXPO : Thursday 22 October 2026

We are delighted to invite your child to the biennial Ashlyns Careers EXPO, which will take place on Thursday 22 October 2026 in the Main Hall. Students in Year 9-11 will attend the EXPO during the school day accompanied by teaching staff.

This exciting event is part of our ongoing commitment to provide an outstanding and ambitious careers programme for our students. The Careers EXPO will feature exhibitors from a wide range of sectors, providing a unique opportunity for students to explore various career paths, engage with industry professionals, and gather information on the qualifications and skills required for success in the workplace.

I have pleasure in linking the [digital EXPO brochure](#) that students also have access to via Google classroom. The brochure includes the details of all the exhibitors who will be participating in this important event.

In the lead-up to the Careers EXPO, students will participate in several planning sessions during form time. These sessions will help them to prepare questions and make informed decisions about the exhibitors they want to meet.

We encourage you to review the EXPO brochure with your child to support their career planning process. We believe that meeting industry professionals and exploring different career options is a critical part of creating a vision for the future for your child and we look forward to your support in making this event a success.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely

Mr L Roberts

Assistant Headteacher
